RE: 2130 S. Kostner

Attached, please find a copy of the Environmental Incident Response Sheet. Inspector Curtis Austin found rock crusher in operation and the crushed material being sprayed to suppress dust. He found no dust nuisance at the time of his investigation. MCC Contractors Inc. has installation permits for rock crushing operation (copies attached).

If you need further information, please call me at 744-9087.

Sincerely,

Ottie L. Young
Director of Environmental Management
